Manhood Pledge

We were born males not men.

We will become men, when we learn the art and science of manhood.

We vow to work to become men, to leave childhood, boyhood behind us.

We vow to seek knowledge of the best way to relate to ourselves, to our Almighty, to our families, and to the community.

We vow to know, to seek answers to who we were, who we are, and know where we are going.

We vow to be the positive example of manhood and Brotherhood, to be a Brother to Brothers, Brother to Sisters, and Brother to the community and institutions to which we belong

We vow to work to make the place where we are better than the way we found it.

We vow to develop ourselves to save lives not take lives.

We will provide, protect, and secure life.

We will be constructive, not destructive.

We vow to live the "Seven R's".

*R*ighteousness

*R*espect

*R*esponsibility

*R*estraint

*R*eciprocity

*R*hythm

*A*nd *R*edemption

We know that life is hard work, but we accept that challenge for ourselves, for you, for life, for the future. Because the future is open and we shall decide!

Dear Family, Friends, and Supporters,

The 100 Black Men of America, Inc., Indianapolis Chapter, has selected me as one of the outstanding men to participate in the Thirty-Fourth Annual Beautillion Militaire. The Beautillion Scholarship dinner will be held on April 4, 2020 at the JW Marriott Downtown Indianapolis.

The Beautillion recognizes the achievements of African American males from Indianapolis area high schools. All participants attend weekly educational workshop sessions prior to the final event. Sessions cover topics from personal responsibility, finance, cultural issues, and respect for others, to community service, health issues, communication, and college expectations. The men of the 100 and other volunteers provide mentorship to assist Beaus with defining future goals.

Beautillion participants are also partially responsible for obtaining patron support for the Scholarship Fund. All net proceeds are directed toward scholarships and book awards which are distributed to the Beaus. Each beau receives either a scholarship or book award which can be used at the college, or other institution of higher learning, of his choice.

I hope that we can count on your support. I welcome any contribution that you are able to make. In order to be published in the souvenir book, please submit your contribution with the enclosed order form before Sunday, March 1, 2020.

With appreciation,

Keante LaSean Jackson

Future Goals

To attend one of the four college in which I have my sight on after finishing my high school. That will be where I intend to double major in Aeronautic Engineering and Business.

College Choices:

- *Purdue University*
- *Ball State University*
 - *Texas A&M*
- *Jackson State University*

After college, I would like to work for either Rolls Royce or Boeing to get some experience under my belt. Later my aspirations are to be the CEO of my own engineering company.
